ABOUT ME

I am a British born photographer based in Berlin, obsessed with love stories and desperate to tell them in the best way possible. I am an artist, lover of music and I have a lot of fun! Moreover, you can find me enjoying a good cup of coffee or a glass of wine, and watching romantic comedies. I am definitely a romantic and for that reason, I truly believe I am in the best business.

I speak English and German (I am known for speaking both languages at the same time, especially during photoshoots!) and am here for you, not just on your wedding day, but before and after, too.

creative, enthusiastic, joyful
